## Thinking Skills & Creative Classrooms with Sue Cowley

### Keynote – Developing Thinking Skills

In Sue's keynote, she will offer lots of strategies and techniques for building thinking skills in your school. She will discuss why metacognition is so important, and how you can help your children to develop this skill. She will also share ideas for boosting memory skills and helping children to think laterally and creatively.

## Workshops

### Effective Questions in the Thinking Classroom

- Effective use of questions to develop thinking
- How to use Socratic questioning
- Developing reasoning and logic
- Scenarios for thinking
- Schemas and sustained shared thinking

### Developing Creativity in Writing

- Warm-ups for writing and creativity
- Creating an atmosphere for writing
- Finding inspirations
- The importance of audience
- Creative approaches to teaching grammar

### Mantle of the Expert

- Using drama techniques to develop creativity and thinking
- Mantle of the Expert and the use of in role approaches

Refreshments are included and free parking is available on site.

## Sue Cowley

Sue Cowley is an experienced teacher, writer and presenter, whose specialisms are in the areas of behaviour management and creative teaching and learning. Sue is also the best selling author of more than twenty five books for teachers and parents, including *Getting the Buggers to Behave* and *How to Survive your First Year in Teaching*. Her books have been translated into many different languages, including Slovene, Spanish, Polish, German and Mandarin. She is a contributor to the TES and has been a judge for the early years section of the annual TES Awards for three years. She is a columnist for *Teach Early Years* and *Teach Primary* magazines and has written for *Nursery World* and *Early Years Educator* magazines. She has produced materials about behaviour management for the Open University / BBC. As well as being a regular presenter on Teachers TV, Sue has developed a series of Positive Behaviour Management DVDs.
